

Control of Traffic Subject of Lengthy Discussion at Council Meeting

Tender Belle-Quinte Construction For Mill St. Sidewalk and Wall Accepted

The control of traffic within the Village, particularly at the intersection of Highways No. 14 and 33, was given a lengthy airing at the regular meeting of Council on Monday night. Reeve G. C. Mouck presided and all members of Council, with the exception of B. Jones, were present.

The various aspects of parking and traffic regulations were discussed with Council deciding to have a red flasher light erected on North St. and investigate the erection of a cautionary amber flasher on Front St. at the four corners. Acting upon complaints of tire squealing and other noise-making by motorists, especially at late hours of the night, Council called upon Police Chief Ketcheson for a more rigorous enforcement of the traffic regulations.

LEGION NOTES

The regular June business meeting of Branch No. 228 was held Tuesday evening with a good turnout of veterans. Prior to the meeting a work party planted a quantity of flowers at the base of the flagpole. These were donated by Mr. Ivan Caldwell and his gesture is sincerely appreciated by the Legion.

The various committees of the Legion presented their reports. Comrade Ross Kira, the branch Arena Manager, reported that a list of several repairs at the Arena would be presented to the executive for their consideration.

Membership Chairman, Comrade D. Patterson, reported that at present the branch has a total of 67 paid members. He noted that some 13 members from last year were in arrears. The meeting was in accord with a suggestion that a notice of arrears be sent out by the Membership Chairman.

The branch Property Committee reported that a tender for a new floor in the Legion Hall had been received. Following much discussion it was decided that the executive be empowered to act on the matter of installing a new floor, however, it was pointed out that some additional investigation would be required before any positive action can be taken.

The Legion also purchased a used refrigerator for use at the hall. While it was felt that there might not be a great need for it at the present time, the membership seemed to feel that if the hall were to be rented to outside organizations the refrigerator would be of considerable use in time to come.

The branch approved a donation to the local Boy Scout organization to assist in two special projects being undertaken by the local group.

Branch members will shortly be advised of a special social evening to be held at the Legion Hall on Saturday, June 22nd. The executive will meet next Thursday, June 13th at 9:00 p.m. to complete plans for this event. In the meantime, all comrades are asked to reserve Saturday, June 22nd for this special event.

Plans are also being made to send a good representation to the District Drumhead Service to be held in Mar-Mora later this month. It is also planned to send a good delegation to the Wellington Centennial drumhead service in early August. Members will be advised concerning both events in due course.

All members of the branch executive are requested to attend a special executive meeting in the Legion Hall on Thursday, June 13th at 9 p.m.

Hastings County Farmers Tour Ontario County

On Wednesday, May 29th, a bus load of Hastings County farmers, who are members of the Hastings County Soil and Crop Improvement and Bee Improvement Associations, toured some of the beef and dairy farms in Ontario County.

The tour commenced at Elmerott Farms, Beaverton, owned by George McLaughlin, where they saw and heard Mr. McLaughlin outline his farm management, paying particular attention to his hay and pasture operations. At Mr. Gill's farm, Greenbank, they saw a laying flock of some 27,000 layers in cages. These were in a converted barn, now having four floors. Mr. Gill has an automatic egg washer and grades his own eggs.

At Sandoon Farms, Goodwood, they were able to view a feed lot where silage stored in a glass-lined silo is being fed; also, they had the privilege of seeing some of Canada's top Short-horn sires. At Mr. Edgar Ward's farm, Claremont, they saw another steer feeding operation where some 200 steers are fed automatically from two large silos. High moisture corn is used extensively with the concentrate being metered automatically.

At the farm owned by Mr. Massey at Ashburn, they saw some Charolais bulls which are being used on Hereford, Angus and Shorthorn cows. The off-spring are fed from two large silos 34x60 and 30x60, each having the laxy-susan attachment. On this farm over 125 acres of grain corn are grown. On the High Point Farm, owned by Mr. Lloyd Smith, Port Perry, they had the opportunity of discussing with him his excellent pasture and hay programme as well as seeing his fine herd of Holstein cattle. Mr. Smith finds that a small apple orchard is an excellent second enterprise.

The last farm to visit was that of another steer feed lot owned by Mr. Stichman, of Toronto, and managed by Mr. M. Kennedy, R.R. 3, Port Perry.

Thus, the tour enabled these farmers to see good dairy herds, beef herds, steer feed lots, and important to all, good feeds stored in silos in the form of corn silage, high moisture corn, and in the barns as high quality hays or in the field as quality pastures.

The air cleaner of your car's engine should be cleaned and re-oiled at the recommended intervals. Engineers say that a dirty air cleaner can reduce mileage by 10 per cent.

Wellman's UCW

The ladies of Wellman's United Church Women met at the home of Mrs. Jim Pollock on Tuesday, June 4th for their regular meeting with 15 adults and 7 children in attendance.

Mrs. John Carlisle, President, presided opening the meeting with the theme hymn. Mrs. Frederick Beckett was acting musician.

Mrs. Keith Clancy was responsible for the devotional period using "The Helping Hand" as her theme. The hymn, "He Leadeth Me" was sung, after which Mrs. Gerald Clancy read the Scripture, Psalm 139: 1-9. Mrs. Clancy commented on her theme, stressing the idea of living up yourself and helping others to do likewise. Anyone choosing this policy will be helped by the hand of God. Mrs. Clancy then read a poem, "The Hill" and closed with prayer. Mrs. Douglas Clancy read an appropriate poem, "He Leadeth Me." Mrs. Jim Pollock and Mrs. Frederick Beckett sang a duet entitled, "On Higher Ground," with everyone joining in the chorus.

The roll call was answered with a Bible verse containing the word "Help." Little Miss Sandra Fleming took up the collection which was dedicated by Mrs. Carlisle. The minutes were read by the Secretary, Mrs. Kenneth Tompkins. Correspondence was read and a motion made to forward

\$10.00 to Victor Home. The dates at Hoard's sale for 1963 were given.

Mrs. Omar Dracup gave an interesting reading. Mrs. Byron Seeley also gave a reading entitled, "Are You There?"

Mrs. Gerald Clancy gave the topic from the study book which dealt with Taiwan. It is a small country and affected a great deal by typhoons causing great loss of life and produce. The early population was about 200,000 — now it is 11,000,000 and is expected to read 20,000,000 by 1980. From 1895 to 1945 it was ruled by the Japanese, with the Japanese receiving the best of everything. Now there is free elementary education which is compulsory. There are also secondary schools and colleges. There is a fair amount of natural resources. The wealth is held by a few. The farming financial conditions are improving but the fishermen's finances are lessening. There are social problems with a rash spending of money. All religions are showing new life. Churches sponsor schools, colleges, Bible schools and Christian student centres. There is still a lot of illness, leprosy being a popular disease as yet. There is a plea for natural rights of government.

Mrs. Keith Clancy gave a Bible contest. Mrs. Carlisle thanked everyone taking part and the hostess for her hospitality. The meeting closed

with the Lord's Prayer.

Refreshments were served by the hostess and her assistants and all enjoyed a social half hour.

Several from this community were among the 32,000 watching the Golden Hawks at the Annual Air Force Day at Trenton.

Messrs Ken and Bob Stiles, Kingston, are spending a few days at their home.

Mr. Bill Andrews, son of Mr. and Mrs. Hubert Andrews, is completing his studies toward his Bachelor of Music Degree by attending two lecture series in France during June and July. He will return home in September after touring the Continent and England during August.

The Ontario Safety League reports an interesting point from a psychological study to find why people resist seat belts. The most common defense against getting belts installed is a "pretended ignorance" of their value.

McKay -- Sutherland Wedding Solemnized

On Saturday, May 11th, at 2:00 p.m. in Grace Chapel, Stirling, Ontario, a very pretty wedding was solemnized by Mr. W. E. Belch, in a double-ring ceremony, when Jean Elizabeth Sutherland, of Stirling, daughter of Mr. and Mrs. George W. Sutherland, became the bride of Mr. Thomas Charles McKay, of Belleville, son of Mr. and Mrs. Palmer McKay. Lovely baskets of white Commercial 'mums and Shasta 'mums adorned the chancel rail, and white satin bows the guest pews.

Mrs. Ronald Johnston presided at the organ and rendered the wedding music. She also accompanied the soloist, Mr. Phil Bennett, of Belleville, who sang, before the ceremony, "The Lord's Prayer," and "Because," during the signing of the register.

Given in marriage by her father, the radiantly lovely bride wore a bridal gown in floor-length of nylon over taffeta featuring a fitted bodice with rounded neckline and long, lily-pointed sleeves. The neckline which came to a "V" point at the back was accented with embroidered lace and mother-of-pearl sequins. The skirt cascaded to a chapel train. She wore a finger-tip veil and crown-styled head-dress encrusted with crystal beads and seeded pearls, and carried a cascade bouquet of Bettertime red roses mingled with lily-of-the-valley. White shoes and a single strand of cultured pearls with matching earrings completed her ensemble.

Miss Anne Sutherland, sister of the bride, as maid of honour, wore a yellow street-length gown of organza over taffeta with rounded neckline coming to a "V" at the back, fashioned with short sleeves, and bell-shaped skirt accented by a back rosette at the waistline.

Miss Raye David, of Toronto, and Miss Helen Sutherland, cousin of the

bride, also of Toronto, wore gowns identical to that of the maid of honour.

Miss Heather McKay, of Belleville, sister of the bridegroom, as junior bridesmaid, was attired in a pale blue gown of nylon over taffeta.

All attendants wore white pillbox hats, white shoes and gloves. The maid of honour and the bridesmaids carried nosegays of white Shasta 'mums centred with yellow roses. The junior bridesmaid carried a nosegay of white Shasta 'mums centred with blue-tinted carnations.

Mr. Robert Elliott, of Kingston, attended the bridegroom, while Messrs Albert Faulkner, of Belleville, James Ahlberg, of Picton, and Fred Sutherland, brother of the bride, ushered the guests.

Reception
The reception was held in the I.O.O.F. Hall, Stirling, where a turkey dinner was served by the ladies of Laurel Rebekah Lodge. Miss Joyce Tyrer and Miss Margaret Moorcroft, girl friends of the bride, served at the head table, which was centred by a three-tier wedding cake, flanked by silver candelabra with tall white candles. The bridal bouquets completed the nuptial setting.

The bride's mother wore a blue silk sheath dress with three-quarter sleeves, matching shoes and purse, white hat and gloves, with corsage of pink Sweetheart roses. Assisting her in the receiving line was the bridegroom's mother, gowned in blue figured silk with short sleeves, white shoes, hat and gloves, with corsage of pink Sweetheart roses.

For the wedding trip to Niagara Falls and the United States, the bride chose a toast coloured two-piece, all wool suit with figured silk blouse, beige accessories and corsage of Tailman roses. A sterling silver locket and earrings, the gifts of her bridegroom, completed her costume.

Guests were present from Guelph, Carrying Place, Stirling, Belleville,

Toronto, Kingston, Brockville, Picton, Eldorado, Madoc, Ottawa, Bonarlaw, Campbellford, Foxboro, London, Sault Ste. Marie, Spring Brook, Trenton, Columbus, Marmora and Hamilton. Mr. and Mrs. McKay will reside at 230 West Moira Street, Belleville.

Previous to her marriage, the bride was the honoured guest at a miscellaneous shower given by Miss Brenda Carter and Miss Dorothy Crabbe at their apartment in Belleville; at a miscellaneous shower by the nurses of the nursery on O.E.S. 111 West, where the bride is a staff member; at a kitchen and pantry shower given by Mrs. Tom Brooks; at a bathroom shower given by Mrs. Ed Richardson and Mrs. Gordon Richardson, and at a presentation of a lovely picture by the Young People of Grace Chapel, Stirling.

Heath -- Rogers Wedding at St. Paul's

A very pretty wedding of local interest was solemnized at St. Paul's United Church, Stirling, on Saturday afternoon, May 18th, at 2:00 o'clock when the Rev. P. J. Hommersen united in a double ring ceremony Mary Lou Karen Rogers, youngest daughter of Mr. and Mrs. Lorne Rogers, of Stirling, to Donald William Heath, only son of Mr. and Mrs. Ralph Heath, of Rylstone. The church was tastefully decorated for the occasion with daffodils, snapdragons and fern.

While the guests were arriving Mrs. Harry Brown presided at the console of the organ, rendering several lovely numbers of wedding music.

The bride, given in marriage by her father, was charming in a gown of nylon sheer, nylon and rayon lace with shoulder length veil of nylon tulle. She carried a bouquet of red roses.

Her sister, Mrs. Charles Gibson, of Kingston, was bridesmaid and was gowned in green taffeta and carried yellow 'mums.

The groom was attended by his cousin, Jim Mumby, of Rylstone.

The soloist, Mr. Harry Brown, sang "The Lord's Prayer" before the ceremony and "I'll Walk Beside You" during the signing of the register.

Ushers were Earl Rogers, brother of the bride, and Ross Fitchett, of Campbellford, cousin of the groom.

The reception was held in the church parlours, the guests being received by the bride's mother wearing blue arnel linen with white accessories. She was assisted by the groom's mother who was gowned in printed brown and beige terylene with beige accessories.

The bride and groom left for a short wedding trip to western points, the bride dressed in a blue coat and dress ensemble with white accessories. Upon their return they will reside on Charlotte Street, Stirling.

Guests were present from Kingston, Buffalo, Pickering, Elmira, Trenton, Campbellford, Rylstone and Newburg.

The Food Basket

Marketing Service
CANADA DEPARTMENT OF AGRICULTURE

STRAWBERRIES AND DAIRY PRODUCTS

Fresh Canadian-grown strawberries appear on most markets in June. Growers are constantly striving to produce big, beautiful berries that will stand up well for shipping and marketing. Many varieties have been developed in recent years which are large, firm and flavourful and are equally adaptable for dessert or freezing purposes.

Strawberries and cream have long been considered a treat by old and young alike but ice cream, whipped cream, sour cream, butter and cottage cheese are all natural "team mates" with strawberries. The home economists of the Consumer Section, Canada Department of Agriculture, combined two of these good dairy foods with strawberries in their recipe for "Glazed Strawberry Squares" and it got "raves" from the tasters. This pretty-as-a-picture dessert consists of glazed whole strawberries on a short-bread-like crust and is topped with

whipped cream.

GLAZED STRAWBERRY SQUARES

Prepare the Crust

Cream $\frac{1}{2}$ cup butter with $\frac{1}{2}$ cup firmly packed brown sugar. Add 1 cup sifted flour and blend thoroughly with a pastry blender. Pat mixture evenly into an 8-inch square cake pan. Bake in a moderate oven (350 degs. F.) until very lightly browned, 15 to 18 minutes. Let cool in the pan before covering with strawberries.

Glazed Strawberries

1 quart box strawberries
 $\frac{1}{2}$ cup sugar
Few grains salt
4 teaspoons cornstarch
 $\frac{1}{2}$ cup water
Red food colouring
1 teaspoon lemon juice
 $\frac{1}{2}$ pint whipping cream
(1 $\frac{1}{2}$ cups)

2 to 4 tablespoons sugar

Wash, hull and drain strawberries.

Measure 1 cup strawberries into a

small saucepan, reserving remainder

to cover baked crust. Crush berries

in saucepan and heat to a boil, then rub through a fine sieve. Return to saucepan and stir in the $\frac{1}{2}$ cup sugar and salt. Make a paste of the cornstarch and water and stir into sieved berries. Return to heat and cook until mixture thickens and becomes clear, about 3 minutes. Add enough food colouring to give a light red colour. Cool slightly, then stir in lemon juice.

Arrange remaining strawberries on baked crust, leaving small berries whole and cutting larger ones in halves or quarters. Spoon glaze over berries, then chill. Cut in squares or oblongs. Top with sweetened, whipped cream. Six large to 9 medium servings.

Sandwiches Not Sweets For After School Lunches

The children have just come home from school and are ravenously hungry — "We can't wait 'til supper to eat," they say. What can you give them that is healthful and yet will not spoil their appetites for supper.

The Foods and Nutrition Department at Macdonald Institute, Guelph, emphasize that milk is good any time, and when fruit, raw vegetables or a sandwich is served too — youthful appetites are sure to be satisfied until supper time. For the growing teenage boy, a hearty sandwich will not diminish his appetite for a full meal at supper, but younger children should be given a smaller snack.

For a hot sandwich, try toasted cheese. These can be made up ahead of time and stored in the refrigerator, then popped into the oven when needed.

A vegetable macedoine spread is a delicious way to use leftover or extra vegetables. Mix with a little water, corn, carrots, broccoli, peas, green beans and celery, etc., until they form a lumpy paste. Spread on warm bread or heat the macedoine by simmering slowly. It will keep refrigerated for several days and may be used lightly spiced for a quick hot dog or hamburger relish.

Remember that candy and other sweets are not good substitutes for food such as cheese, eggs and milk, fruit and vegetables. When your child wants a snack, give him something that is good for him.

OF MANY THINGS

(By Ambrose Hills)

RACIAL PREJUDICE

None of us is entitled to be smug about racial prejudice. To some degree, a little bit of it is somehow worked into us through our environment. This applies to the persecuted as well as to the persecutors. The negro who feels totally unprejudiced toward whites is rare indeed, and the whites who have no tinge of prejudice against negroes come scarce. The same applies to the other races.

Deplore this situation as much as we may, it does exist.

I believe a white family worries if a son or daughter marries a negro, and it probably works in reverse. Facing facts, each family is aware that the couple's love would have to withstand a tremendous social pressure.

But as I understand it, the negroes are not asking to be loved or taken into white families. All they ask is their lawful rights to be served in public restaurants, or other public places of business, and the right to vote freely for candidates of their choice.

The fact that they must endure so much to gain these rights — as gain them they surely will — is a terrible indictment of our free system of gov-

ernment. I feel sorry for the whites who are so foolishly badgering and harassing the negroes. They are inviting countless years of bitterness and recrimination. They are eroding the very freedom that has made their own lives so pleasant and profitable.

I have been looking at pictures of the rioting. The most anguished faces are those of the whites — for they must know, in their hearts, that they are in the wrong. They are the ones caught in mass hysteria. They are the ones who are acting in a primitive manner, if the reports that reach us here are correct.

The United States is one of the greatest and most generous nations in the world. Part of its greatness stemmed from the fact that it offered sanctuary and opportunity to immigrants from all parts of the world. Surely now, it will be big enough to grant complete freedom to the negroes who have worked for it and fought bravely for it so many times. Not because negroes are all angels, not because all negroes have behaved well; but because the United States should know that the negro hasn't a decent chance to come into his own until he is free in a real and honest sense.

Canada, too, ought to take a new look at its immigration laws. Until we do, we have no right to be unduly critical of the United States on the score of racial prejudice!

angler is calm, quiet, reserved, diplomatic and sometimes apologetic, which indicates to the conservation officer that his diplomacy has paid off.

The angler has found a better spot to fish, the fish are co-operative, and every one is happy. That's fishing.

Cooking Comments

To prevent a cake sticking to the bottom of the pan, Home Economists at Macdonald Institute, Guelph, suggest that you line the pan with wax paper and then brush with unsalted fat.

In a spare moment, take a ruler and measure those stray cake pans and pie plates that don't have dimensions written on them. By marking the sizes on the bottoms of the pans with red nail polish, guesswork will be eliminated the next time you bake.

Try using that small amount of leftover ice cream, slightly softened, as a topping for desserts. With this idea there is no whipping necessary and no beaters to wash.

The Good Driver

"Accomplices in Murder" was the headline to an editorial in the respected Canadian Register, quoted by the Ontario Safety League. The reference was to parents whose children, ill-prepared for the responsibilities of driving, shed blood on the road.

We are aghast at the mental picture of the dead at Hiroshima following the first atom bomb used in war the editorial said. But there have been many times this number killed by cars in the United States and Canada since World War II. And there is only the annual expectation that traffic deaths will go on increasing with the added number of drivers and vehicles each year.

Statistics reveal the disproportionately large number of traffic fatalities in which the sixteen to twenty four year-old class is involved. A remedy seems obvious. The younger drivers must be made more responsible. While they have the physical requirements, they often lack the prudence and judgement careful car-handling demands.

Others besides the driver, however, share blame for highway deaths; particularly parents who allow teenagers behind the wheel too soon, or too often.

No car keys should be handed over to boys or girls unless their parents are convinced that they have the sense of moral responsibility which driving entails. If parents think a boy's sixteenth birthday or his ability to pass a driving test gives this sense of moral values, they act like the juvenile himself.

The conservation officers must listen intently and trust that he is diplomatic enough to bring the irate fisherman out of the smoke long enough to check his licences and bag limits and give advice as to where the fish may be biting in another area.

Usually on the second trip this

Every sensible parent has definite ideas about his child's age and maturity when it comes to marriage. Parents will stand firm against a too young, too immature youngster eager to marry. After all, his life's happiness is at stake. But these same parents will often give in to this same too young, too immature youth, eager to drive the family car. Yet here, many lives are at stake.

Irresponsible driving among young people, alas, often points behind them to irresponsible parents who hand over car keys too soon.

THE BIBLE TODAY

"You don't get — you give a Bible a month." With these words a new programme called the Bible-a-Month Club has been introduced in Canada. Club members subscribe two dollars each month in order to send a Bible somewhere in the world each month.

Differing from the Book of the Month clubs in that the subscriber does not receive a book each month, this Bible-a-Month Club sends out a copy of the Bible to some known needy person in one of some 1,200 languages into which the Scriptures are now printed.

It is announced that two dollars each month makes it possible to provide one Bible or three New Testaments monthly. The Club is sponsored by the Canadian Bible Society through its nineteen District Offices and Bible Houses across Canada.

Tipping

Oh, how vile is this business of tipping. It corrupts the host and embarrasses the guest. It turns normally confident travellers into furtive cowards, normally able-bodied waiters into fawning sycophants. Under its spell waitresses become snippy; cab drivers snappy. It makes dictators of maitre d's and bullies of bell boys, comments The Canadian Motorist.

Most people spend 49 or 50 weeks of the year looking forward to their vacation. They pore over maps, scour through magazines and brochures. As the time for the great flight into fancy draws near their excitement mounts. Their vacation should be all that they wish — adventurous or tranquil; robust or restful. Too often they simply become victims of a hard-eyed, tight-fisted tourist business. They are beset by rudeness and frustration; humiliated and cowed by an over-bearing corps of functionaries who ostensibly are there to serve them. And right at the root of the trouble is this iniquitous system of tipping.

True, "mine host" is a most genial fellow and his welcoming smile is warm and sometimes even genuine. But not so his many minions. They are only as friendly and helpful as you pay them to be — like a smile machine that dispenses pleasantness according to the number of quarters you put in the slot.

Yet it is only fair to say that they are not entirely to blame. Far more at fault are the terms of their employment. They are scandalously underpaid (a recent Hamilton court case revealed a waitress receiving a

weekly wage of \$20). Only the generosity of customers can assure them of a decent living. It is surely a sad commentary on our so-called civilized society that some employers can throw the onus for their employees' welfare on their customers.

Tipping has no place in modern living. It is a crude and vulgar throw-back to feudal times when barons rewarded the obsequies of serfs and the favours of serving wenches with an arrogantly tossed coin. Today it represents a system of far from delicate blackmail utterly detested by the vast majority of travellers. The stunning success of motels in recent years must be traced in no small part to the absence of tipping. Guests are spared the unnerving experience of running the gauntlet of palm waving doormen, bell-hops and chambermaids.

Tipping can be ended — just as soon as hotel and restaurant management plucks up the small courage needed to accept their responsibility.

They will not find it ruinous nor will the customer find it costly. True, prices on meals and accommodation will rise but the increase, if it is honestly made, need be no more than the guest must presently add to the check in tips. Even if it does mean a small increase to some, it seems so slight a cost to pay if it eliminates the harassment and embarrassment travellers must now endure. — Picton Gazette.

Plans For Fall Fair Discussed At Meeting Local Agricultural Society

Horse Section To Be Revised With Increased Prizes — Canvassers Appointed

The Directors of the Stirling Agricultural Society met Thursday evening last in the Board Room of the Ontario Department of Agriculture to discuss plans for the annual Fall Fair, which will be held September 6th and 7th next.

The rental of the Fair Grounds for pasturage to Fred McDonnell for a sum of \$50 was authorized and considerable correspondence was received and ordered filed.

A lengthy discussion ensued on improving the prize list in respect to the horse section. It was the consensus of the directors that some incentive should be provided to promote the showing of these classes. With this in view a committee composed of John Morgan, John Sheridan, George Sutherland, R. Utman and Earl Wallace was given authority to revise this section increasing the prize money by two hundred dollars. It was felt that money so expended would benefit the Fair more than the present purses offered for trials of speed. The committee will report at the next meeting to be held on June 18th.

The appointment of canvassers for advertising and donations was completed with R. L. Hullin doing the Village, E. Wallace and C. D. Fitchett, Belleville, and Fred McDonnell the rural area.

The Secretary was instructed to contact Brian Olney, Kingston, with reference to providing the afternoon grandstand show and a dance in the evening on September 7th.

Paper Drive Saturday Next

The Stirling Boy Scouts will hold a waste paper collection on Saturday next, June 15th. Citizens are asked to tie the papers in bundles or place in cartons and leave on the curb. Interment was made in Stirling Cemetery.

On Friday evening a Masonic Memorial Service was held at the funeral home.

Chief Ketcheson Addresses Pupils On Bicycle Safety

"Bicycle Safety" was the subject of an address by Chief of Police D. W. Ketcheson to the pupils of the Stirling Public School on Friday last June 7th. In his remarks the Chief emphasized various safety rules that should be practised by the boys and girls riding bicycles and asked for their co-operation. He also outlined a bicycle safety programme which will be introduced by the Martin Insurance Agency.

Under this plan each pupil is presented with a booklet entitled, "Safe Bicycle Driving Today," which embodies all safe driving habits now on your bicycle. Good driving habits formed now will mean safer roadways for you when you graduate to an automobile. After studying the twenty things every good bike driver should know the pupils are required to try a Safe Bicycle Driver's Test, which, if passed, entitles the pupil to a safe driver plate and a safe driver's license.

The talk followed the showing of two safety films by Principal Marvyn Scott in the school auditorium.

Floyd Bartlett Injured In Fall From Roof

Floyd Bartlett, local grocer, suffered painful injuries when he fell from the roof at the rear of his Mill Street store about 5.30 on Monday afternoon.

At the time of the accident he is alleged to have been making repairs to a clothesline at the rear of the upstairs apartment when the ladder, from which he was working, slipped throwing him to the ground. He was taken by car to Belleville General Hospital, where X-Rays revealed both ankles were broken and his left heel fractured.

Ralph Clements has been engaged to assist in the meat department of the store during his absence.

LEGION NOTES

All members of the branch executive are asked to attend a special executive meeting in the Legion Hall today (Thursday, June 13th) at 9 p.m. It is important that as many members as possible turn out for this executive meeting.

The June issue of the Legionary carries an editorial dealing with the issue of a distinctive Canadian flag. We believe it to be worth reprinting in the Legion Notes.

FLY THE FLAG!

It was a relief to note that the Speech from the Throne last month made no mention of a new, "distinctive" Canadian flag. But our relief may be only temporary, for there are signs and portents aplenty that strong efforts will be made during the next two years to replace the Canadian Red Ensign. As we have said before, THE LEGIONARY can see nothing ahead but bitter feelings, acrimonious debate and intensified disunity throughout the country as a result of such efforts. Surely the time has now come for realistic thinking and energetic action on the part of all those organizations and individuals from coast to coast to whom the replacement of the Canadian Red Ensign would be a major catastrophe, a great national tragedy.

The Royal Canadian Legion has made known its clear-cut stand on this crucial issue through its Dominion President and its national magazine. Government leaders, members of parliament, the press and other communications media are all aware of the Legion's view. But still more can be done. Legion branches and individual members everywhere can tell their elected representatives in the House of Commons by letter or telegram how they feel about it. Equally important, they can fly the flag themselves — Canada's flag — from their halls and homes, and urge that it be flown from public schools, office buildings and business premises in their own localities.

If we don't fly the flag we already have, our opposition to another national emblem loses much of its effectiveness. If on the other hand a million or more Canadian Red Ensigns are seen flying every day across the length and breadth of this dear land, the impact and implications would be significant and quite possibly decisive. And the Royal Canadian Legion can lead the way. The Canadian Red Ensign should fly daily over every one of the 2,000 Legion halls in the Dominion and over the homes of tens of thousands of Legion members who have a garden large enough for the erection of a flag staff to be appropriate. And soon tens of thousands of fellow-citizens would follow the Legion's lead. Let us not just pass resolutions at conventions. Let us practise what we preach and fly our own beloved flag.

A report of Mrs. Roy Tucker was read and revealed that Pennies for Friendship which were sent to the district annual amounted to \$23.12 and for May \$2.34. An article from "The Countrywoman Magazine" was read and it stressed that funds are still as necessary as ever to carry on the day to day function of A.C.W.V. It has been suggested that the new name be "Coins for Friendship." The penny jar was passed around. The coupon convener reported over 1,400

Rylstone W.I. Met At Zion Church

Rylstone Women's Institute met for their June meeting at Zion Church Sunday School room on Wednesday afternoon with Mrs. Carl Reid as hostess. There were eight members in attendance.

The meeting was opened with the Institute Creed and the Lord's Prayer. The President, Mrs. Stanley Kerr, was in charge.

Roll call was answered by an interesting place I have visited.

Mrs. Ernest Irvin and Mrs. Eldon Anderson were delegates to the District Annual Institute Meeting held at Paudash Lake in May. Mrs. Irvin gave a very interesting report on the day's happenings and exhibited a briefcase won by Rylstone as an attendance prize.

It was decided to forego the short courses put on by the Department this year.

Mrs. Irvin was convener for the balance of the programme which she opened with a reading, "I Had To Laugh." A demonstration on "Cross Stitch Work" was put on by Mrs. Stanley Kerr. Mrs. Don Stewart rendered the lovely sacred song "Softly and Tenderly" with piano accompaniment by Mrs. Percy Reid. Lunch was served by the hostess

and her committee.

The next meeting will be held at the home of Mrs. Chas. Stewart.

All executive officers, directors and conveners of standing committees will meet at the home of Mrs. Ernest Irvin on Monday afternoon, June 17th to prepare programmes for the coming year, 1963-64.

General Meeting St. Paul's UCW

The General Meeting of St. Paul's United Church Women was held in the Upstairs Sunday School room at 3 p.m. on June 4th with 40 members present.

Mrs. David Duffin opened the meeting with a poem "Remember to Scatter Seeds of Happiness."

During the business period Mrs. Duffin reported 146 calls were made since the last meeting.

Mrs. George Carlisle gave a timely talk on Missionary Education and had some first-hand information from letters she had received from three Missionaries we know — Miss Muriel Stevenson, Miss Kate Rutherford and the Haywards. The Haywards are now working among the Indians at La Pas, Manitoba.

The U.C. Training School is being held at Whitby August 19th to 23rd. Hope some members will be able to

attend.

Mrs. Macklin made the presentation of a beautiful picture, "The Last Supper" to the U.C.W. organization in memory of her mother, Mrs. Scarfe, who had spent a number of years in Stirling with her. Rev. P. J. Hommeron accepted it for the organization paying a lovely tribute to Mrs. Scarfe who loved her Church and God's work. May we all carry on in the same spirit giving love, labour and hope.

Unit One conducted a very impressive devotional on "The Glory of Spring." With the lights low and a spot light turned on the worship centre, voices from the back of the room developed the theme. The call to worship was followed by a Spring poem, "If God Is Not."

Psalm 8 was read and three voices gave the meditation. The first voice saying — The Springtime speaks with many voices beyond those of the woods and fields. It has its spiritual voices too. Voices which try to point out the orderliness of nature; the unchanging natural law, the unfailing promises of God about seedtime and harvest. But most of all Spring is an earthly demonstration of the renewal of life. The second voice adding that man turns instinctively to new activities. We make new plans, new friends. We are renewed in body and soul. The third voice, and above all

of its other matchless glories, Springtime is a resounding confirmation of that truth; of the soul's certain victory through faith over the darkness of death.

Prayer was given by Mrs. G. Bailey. The offering was gathered by Mrs. Wm. Hipwell and Miss J. Johnston and dedicated by Mrs. S. MacDonald.

Mrs. Bert Jones and Mrs. Robert Hulin, accompanied by Mrs. Harold West sang, "I Came to the Garden Alone." The devotional closed with the hymn, "For the Beauty of the Earth."

Programme

The programme was in charge of Mrs. Harry Vandervoort and opened with two very pleasing musical numbers, a solo, "Sleep Baby Sleep," by Margaret Hommeron, accompanied by Mrs. H. West, and a piano duet by Edward and John Svoboda.

Mrs. Marvyn Scott, the speaker of the evening, gave a very fine book review on Dr. Ida Scudder.

Ida S. Scudder was a daughter and granddaughter of American medical missionaries to India and in her youth had determined to be anything but a missionary. But when at the age of 20 visiting her parents in India, she was challenged by the tremendous need of women. She resolved to return to America to study medicine. Ten years later (1900) she returned to India dedicated to bringing health

and healing in the spirit of Christ to womenfolk in South India. She founded the Vellore Medical School. Any one hearing this book review would I am sure want to know more about this adventurous woman. Mrs. Vandervoort closed with the poem, "My Purpose."

Unit Two served a delicious lunch and was thanked by Mrs. Glenn Bush. Mrs. Bush also thanked Unit One for the devotional and Unit Three for the programme.

Honour Former Resident On Retirement

The Rev. Dr. Melbourne Johnson and his wife, Thelma Johnson, have been signally honoured at Plymouth, Michigan, following his retirement.

Melbourne and his twin brother Melville are sons of the late Mr. and Mrs. George Alex Johnson, of Mount Pleasant. Melbourne was educated in the Allen Public School, S.S. No. 3, Rawdon, and attended the former King George High School at Stirling. Later he trained for the ministry and served as a missionary in the Province of Alberta for six years beginning in 1920. He then took up a

pastoral work in the Methodist Church in the United States and spent one year at Shiloh, Illinois, and three years at Mechanicsburg, four at Carleton and five at Kanabec, Illinois, and on to Roseville, Michigan, where he served 11 years. In 1950 he was called to Plymouth, Michigan, where he remained until his retirement on June 2nd, 1963.

A special surprise "Johnson's Day" was held at the church on May 19th and a chancel cross was dedicated in recognition of the ministry of the Rev. Dr. Melbourne I. Johnson and Mrs. Johnson. This was the date chosen as Dr. Johnson was observing his 65th birthday on the 20th. He gave his farewell message on Sunday, June 2nd and plans to spend some time visiting his sister, Mrs. Charles Totten in Regina, Saskatchewan, during the summer months, after which he has accepted a position at Ann Arbor as an assistant minister.

A special party was also held in their honour on his birthday and the congregation made the presentation to Dr. Johnson of a new car and to Mrs. Johnson, a combined hi-fi and TV set. In April the business men of the city held an honorary party and made the presentation to the Johnsons of a fully equipped trailer.

In 1950, Plymouth, Michigan, was on the verge of rapid expansion. There has been steady church growth ever since and the church membership has doubled to 1,209. Over 780 attend Sunday School with 114 officers and teachers. It requires two services each Sunday morning to accommodate the large attendance. There are two assistant ministers, one visitation and the other, director of religious education.

Dr. M. S. Rice in his tribute said the Johnson Day is but a feeble attempt of the congregation of the First Methodist Church of Plymouth to express sincere gratitude and to extend to Dr. and Mrs. Johnson a happy, healthy and rewarding retirement.

A special folder was published for the event and two pages were devoted to what had been previously written by Dr. Johnson in his booklet entitled, "Plain Bread and Butter." It contained almost 40 excerpts and one of them is quoted: "The best pronouncement of a good word is to live it." There were also two of his special poems published.

Dr. Johnson's friends at Mount Pleasant extend sincere congratulations at this time.

Wurster - Richardson Wedding At Stirling

A lovely wedding took place in St. John's Anglican Church, Stirling, on Saturday, May 25th, when Geraldine Diane Richardson, only daughter of Mr. and Mrs. Gerald Richardson, of Stirling, was united in a double ring wedding ceremony to Gunter Karl Wurster, son of Mrs. Marlea Wurster, Neir Ulm, Germany.

Rev. F. F. Downing, rector of the church, officiated. Lovely baskets of lilies were interspersed with yellow and pink tulips, while guest pews were designated with large white satin bows.

Miss Helen Morrow was at the console of the organ throughout the wedding ceremony and soloist was Miss Linda Ann Morrow.

The bride looked most winsome in a floor length bodice in lace, pointed sleeves, skirt flowing in tulle, with lace overskirt and satin petals here and there. She had a full shoulder length veil, and was carrying her bridal flowers in cascade form, large yellow roses and yellow satin ribbon.

Her maid of honour was Miss Laura Fraser, Glen Ross. Bridesmaids were Miss Crystal Wilhelm, Glen Ross, and Miss Ann Marie Price, Trenton. All three were dressed identically in yellow organza street length, low necklines, and yellow veiled head-dress.

Their flowers were in cascade design in yellow 'mums, intermingled with white pom-pom 'mums and tied with yellow satin ribbon.

Flower girl, Rose Richardson, was dressed in white with blue sash in satin. A nosegay in pink and white flowers was carried gracefully.

The groomsmen were Clifford Hight, of Colborne. Ushers were Reg. K. Bezenor, of Batawa, and Bruno Kern, of Oshawa.

The reception dinner was held at Batawa Community Hall for about 70 guests.

The bride's mother received in a peacock lace jacket dress, blue net rolled pill box hat, and wore a corsage of pink carnations.

The bride's costume for her wedding trip was a pale green sheath dress, with matching duster, white pill box hat of flowers, and corsage of bronze chalice roses.

Mr. and Mrs. Wurster went for their wedding trip to France, Spain, Switzerland and Germany, where the groom's mother resides.

Out of town guests were from Trenton, Cobourg, Toronto, Armstrong and Colborne.

H.&P.E. Counties To Have Prepaid Medical Plan

The P.S.I. sponsored Hastings and Prince Edward Community Health Plan officially opens for enrolment next Monday, June 17th.

Physicians' Services Incorporated, or as it is more commonly referred to, P.S.I., is a non-profit province wide service sponsored by the Ontario Medical Association and the physicians of Ontario. P.S.I. will provide any permanent resident of Hastings and Prince Edward Counties with a method to prepay medical, surgical and obstetrical services on a low cost monthly basis.

While the plan is not officially open for enrolment until Monday, it has al-

ready attracted support from doctors in both counties, and also many elected officials. Very shortly, Mr. D. J. McDonald, Mayor of Trenton, will introduce the plan to residents of Hastings County and similarly Mr. H. J. McFarland, Mayor of Picton, will introduce it to residents of Prince Edward County.

P.S.I. spokesman, Doug Brown ad-

vised the News-Argus that it is expected the enrolment of Hastings and Prince Edward will be one of the most successful campaigns ever held by P.S.I. Offices will be established in Belleville, Trenton and Picton. The exact locations and phone numbers will appear in this newspaper from week to week throughout the enrolment period.

Butter Grades In 1962

Although the volume of butter graded dipped from the 1961 level, more of it was rated top quality, says the Canada Department of Agriculture, in preliminary report for the 1962 calendar year.

At the same time, Canada's butter production amounted to 360.7 million pounds — up nine million pounds from the previous year.

The amount graded declined by 656,000 pounds to about 277 million. Despite this, Canada First Grade butter totalled 266.8 million pounds to eclipse the 1961 amount by 1.1 per cent.

STRAWBERRY SHORTCAKE

The strawberry season wouldn't be complete without a strawberry shortcake. The biscuit shortcake which many people consider the only true base for a strawberry shortcake should be a rich dough preferably made with butter and with butter spread between the layers so that they can be separated easily after baking. The home economists of the Consumer Section, Canada Depart-

ment of Agriculture give us their recipe for Strawberry Shortcake.

Strawberry Shortcake
2 cups sifted all-purpose flour
4 teaspoons baking powder
1/2 teaspoon salt
1 tablespoon sugar
1/2 cup butter
1/2 cup milk less 1 tablespoon
1 quart box strawberries
1/2 cup sugar
1 pint whipping cream
2 tablespoons sugar

Mix and sift flour, baking powder, salt and sugar. Cut in butter with a pastry blender until mixture resembles fine bread crumbs. Make a well, pour in all the milk at one time and mix quickly to make a soft but not sticky dough. Turn onto a lightly floured board, quickly form into a ball, then knead for 30 seconds by pressing and folding dough several times. Divide dough in half, then roll each half to an 8-inch round. Place one half in a lightly greased 8-inch layer cake pan, brush top lightly with melted butter, then place second round on top.

(To make individual shortcakes, roll dough lightly to about 3-inch thickness. Cut in 2 1/2-inch rounds with biscuit cutter. Place on baking sheet.)

Bake in a hot oven (425 degs. F.) until lightly browned, allowing 15 to 20 minutes for rounds, 12 to 15 minutes for biscuits.

Meanwhile wash and hull strawberries. Reserve choice berries for garnish. Slice remainder, add the 1/2 cup sugar and stir to mix.

Split cake or biscuits crosswise while warm, butter surface again and immediately spread berries between layers and on top. Cover with whipped cream sweetened with remaining sugar and garnish with whole berries. Eight servings.

OF MANY THINGS

THE NATIONAL COUNCIL OF WOMEN

I have always been impressed by the work of the National Council of Women. When they undertake a task, they do it right. Their representations to the Cabinet, or to other authorities, are always eminently practical and sound.

An example, which should be of interest to all women, was the brief they presented to the Royal Commission on Taxation. It cannot fail to impress the commissioners. I feel confident that as a result of the submission, the terrible practice of capitalizing widows' pensions and demanding full payment within six years will be discontinued. It is not Christian, it is palpably unjust. The case against it was made very effectively by the Council brief.

The Council was founded by Lady Aberdeen, wife of the then Governor General of Canada, in 1893, its object being "to unite a Dominion federation, for the betterment throughout Canada, of conditions pertaining to the family and the state, all societies and associations of women interested in philanthropy, religion, education, literature, art or social reform."

The Council has lived up to its purpose. It has not become an organization of fuzzy-thinking do-gooders, but has been practical, sound, and down to earth. It has won the respect of Canadians not by publicity seeking but by carefully-reached decisions on policy and action. It is not forever passing resolutions and letting them die. What it starts it finishes if it takes a month or many years. That is why I am sure it will get our ridiculous Estates Tax laws reformed.

The National Council of Women of Canada represents about 700,000 women. I'd wager it represents five times that many voters, because of its influence and the good sense of the proposals it puts forward. More power to it!

Entered Into Rest

MRS. ARTHUR ROBERTSON

Mrs. Arthur Robertson, of Prince Albert, Ontario, the former J. Pearl McAdam, of Mount Pleasant, died on Saturday, June 1st, 1963, in Port Perry Community Hospital in her 74th year. She had been in ill health for several months.

Mrs. Robertson was born in Murray Township, a daughter of the late David McAdam and Eva Williams. She moved with her parents to Mount Pleasant, Rawdon, when a small child. She was educated at the Williams Public School, S.S. 4, Rawdon, the King George High School, Stirling, and graduated from Ottawa Normal School. She taught school for a number of years and was active in the teaching profession until about ten years ago. She was a devoted member of the United Church, and active in all phases of church work. For many years she taught the Adult Bible Class of the Sunday School.

She leaves to mourn, her beloved husband; two daughters, Mrs. Grant (Eva) Hunter, of Port Perry, and Mrs. Larry (Reta) Glasgow, of Beamsville, and nine grandchildren; two brothers, Earl McAdam, of Stirling, R.R. 3, and Arthur McAdam, of Toronto. A son, David (Mac) Robertson, of Havelock, predeceased her seven years ago.

The service was held at the McDermott and Panabaker Funeral Chapel in Port Perry on Tuesday, June 4th, 1963, at 2:00 p.m.

Interment was made at Pine Grove Cemetery, Prince Albert, Ontario.

Hastings West W.I. District Annual Meeting

Pine Grove Women's Institute played host to the 62nd District Annual Meeting held in Marsh Hill Church. Mrs. Harold Dettlor was in charge of registration, with Mrs. Roswell Reid and Mrs. Fred Campbell on the reception committee.

The District President, Mrs. Percy MacMullen, opened the convention. Mrs. Grant McLaren, Provincial Board member, Miss Nora Creyke from the Department and Miss E. Spouse, home economist, were introduced.

Mrs. Harry Coulter, Secretary-Treasurer, read the minutes and financial report. Mrs. G. Burkitt read the auditors' report.

A cordial welcome was extended to all the visitors by Mrs. Alex Tanner, to which Mrs. Vernon Harry gave a suitable reply.

District Directors

Mrs. L. McLaren was called upon for the ratification of the following district directors: Mrs. Ross Stickle, Mrs. Lorne Reid, Mrs. Chas. Ross, Mrs. Ernest Carr, Mrs. Blanche Reid, Mrs. Edison Sine, Mrs. Ray Shorey and Mrs. Ken Jones.

Mrs. John Reid, Area Chairman, brought greetings from the area. Mrs. MacMullen gave her report and stressed that members put first things first. "We must look after our own F.W.I.O. and F.W.I.C. projects first before we go out and help with others." She spoke of the trade crusade and said "If we were to spend one third less on what we buy from other countries and our tourist travel we'd be helping our economy."

Various Talks

For the Bay of Quinte W.I. Mrs. A. Ketcheson gave a paper on education about a Chinese who came out to Canada and opened a restaurant in London. His children were all educated there being three doctors, a lawyer and five chemists.

For Chatterton W.I. Mrs. F. McGinnis spoke on Citizenship; being neighbourly; Canada a good neighbour; adopt children; misplaced persons brought to Canada; sending farm machinery, sewing machines to underprivileged peoples; stand with U.S. in opposing communism; scholarships to encourage education, and citizenship begins at home.

For Pine Grove W.I. Mrs. L. Finkle spoke on Citizenship. The strength of a nation depends on the strength of its citizens.

For River Valley W.I. Mrs. Ernest Carr told of a birthday party to celebrate on February 19th, 1897, when the anniversary story was told how the faith of one woman so aroused others to educate better mothers to make better homes.

For Stirling W.I. Mrs. L. Rodgers said Citizenship carries responsibilities as well as rights and privileges. Citizenship means keeping home tidy, regular church attendance, ability to live with others, Christian principles in action, being a good neighbour. In our locality and home it is the training ground for national citizenship.

For Uniondale W.I. Mrs. M. Mallory spoke on Australia, the land "down under" where there are sheep ranches, homes far apart. Triennial Conference was held here in 1962.

For Wallbridge W.I. Mrs. E. B. Phillips chose Education.

A teacher from Quinte Secondary School was special speaker and spoke on the Roberts Plan. There was a question and answer period.

For Sidney South W.I., on of their members, a native of Holland, spoke on her country as to climate, farming and living quarters. She answered questions. She said she'd like to visit home but would sooner live in Canada.

Sargent; Home Economics and Health, Mrs. J. Palmer; Resolutions, Mrs. I. Clare; Public Relations, Mrs. Morley Sine.

In discussing the reports Mrs. McLaren remarked that all conveners were doing a good job. In most cases there was 100 per cent reporting.

Messages from the three adopted children were brought by Mrs. Ernest Anderson, Uniondale; Mrs. G. Hensman, River Valley and Mrs. A. Meyers for Bay of Quinte, Chatterton and Pine Grove.

Mrs. C. Ross brought a report on their project "143 pounds of meat" from Pine Grove. Wallbridge displayed their copper tooling.

Miss Creyke stressed that members study their handbooks.

Mrs. C. Ross entertained with two humorous readings and Mrs. McLaren brought her report of the Provincial Board meeting.

Mrs. Mary Trivers is the new F.W.I.O. President. The policy of the F.W.I.O. is building for peace. Providing international scholarships here can help build bridges around the world. There is a kit on Ireland which one should study. The theme for 1967 should be "Make Canada Lovelier." Miss Eadie was presented with a projector and a purse on her retirement.

Mrs. McLaren urged all to participate in the farm radio programme next February entitled "The Roll of Women in the Canadian Economy." The summer vacation will be in Guelph July 8th to 12th. The national convention will be held in Nova Scotia in 1964.

Miss Elizabeth Spouse, home economist, reported on girls' work. Last year the project was "Featuring Fruit" with 137 girls competing and exhibits were made at both Peterborough and Belleville fairs in August.

"Separates for Summer" project was completed in March with 130 girls completing. This consisted of skirt, shorts, pop top. The girls made a creditable showing.

At present the girls are working on their "Home Garden Club." The leaders trained in April and the Achievement Day will be held in August. The name of the club for the fall of 1963 will be "The Milky Way." The seniors have asked for "Finishing" (sleeves, facings, hems). Miss Spouse remarked when they are looking for a leader they usually pick out a busy woman as she usually gets things done.

Mrs. Roy Bush, District Tweedsmuir Curator, said the Tweedsmuir books are supposed to catch the growth of Women's Institutes down through the 65 years since its inception.

Mrs. Ernest Carr, River Valley, read a letter entitled "Pen Pals," written by Mrs. Sybil Lessey of the A.C.W.W.

Mother Shipton's Prophecies

The following is a copy of Mother Shipton's Prophecies which were made some 500 years ago, so it may be remarkable how they have been fulfilled down through the years.

Mother Shipton's Prophecies

A carriage without horse shall go,
Disaster fill the world with woe;
In London Primrose hill shall be
Its centre hold a bishop's see.
Around the world men's thoughts shall fly,
Quick as the twinkling of an eye;
And water shall great wonders do—
How strange, and yet it shall come true.

Then upside down the world shall be,
And gold found at the root of tree;
Thro' towering hills proud men shall ride,
No horse nor ass move by his side.

Beneath the water man shall walk;
Shall ride, shall sleep and even talk;
And in the air, men shall be seen,
In white, in black, as well as green.

A great man then shall come and go,
For prophecy declares it so.
In water iron then shall float
As easy as a wooden boat.

Gold shall be found in stream or stone
In land that is as yet unknown.

STIRLING HORTICULTURAL SOCIETY

If it is necessary to cut back the loaders of evergreen trees, this work should be done at this season when the wood is soft, green and watery.

Water and fire shall wonders do,
And England shall admit a Jew.
The Jew that once was held in scorn
Shall of a Christian then be born.
A house of glass shall come to pass
In England — but alas, alas
A war will follow with the work
Where dwells the pagan and the Turk.

The states will lock in fiercest strife,
And seek to take each other's life;
When north shall thus divide the south,
The eagle builds in lion's mouth.

Then tax and blood and cruel war
Shall come to every humble door.
Three times shall sunny, lovely France
Be led to play a bloody dance;

Before the people shall be free,
Three tyrant rulers shall she see;
Three rulers, in succession, be—
Each sprung from different dynasty.

Then, when the fiercest fight is done,
England and France shall be as one.
The British olive next shall twine
In marriage with the German vine.

Men walk beneath and over stream
Fulfilled shall be our strangest dreams
All England's sons that plough the land
Shall off be seen with book in hand.

The poor shall now most wisdom know,
And water wind where corn doth grow;
Great houses stand in far flung vale
And covered o'er with snow and hail.

And now a word in uncouth rhyme,
Of what shall be in future time.
For, in those wondrous, far off days
The women shall adopt a craze

To dress like men and trousers wear,
And cut off their locks of hair.
They'll ride astride with brazen brow,
As witches do on broomsticks now.

Then love shall die and marriage cease,
And nations wane as bade decrease.
The wives shall fondle cats and dogs
And men live much the same as hogs.

In nineteen hundred and twenty-six,
Build houses light of straw and sticks,
For then shall mighty wars be planned
And fire and sword shall sweep the land.

For those who live the century through,
In fear and trembling this will do.
Flee to the mountains and the dens,
To bog and forest and wild fens—

For storms will rage and oceans roar,
When Gabriel stands on sea and shore;
And as he blows his wondrous horn,
Old worlds shall die and new be born.

CONSERVATION NEWS

Turkey Vultures In South-Eastern Ontario

The turkey vulture, a great black bird with a wing span as great or greater than the outstretched arms of a normal man, is normally considered scarce in this part of Ontario. However, in recent years more and more are being reported, especially during the spring.

This year in the Tweed Forest District, pairs of vultures have been reported sighted. The most likely places to observe this bird is along Highway No. 7 in the Kaladar area and east of the Village of Tweed.

Turkey vultures have an economic importance inasmuch as they eat carrion. They help keep our roads clean

of dead rabbits and other animals killed by motor vehicles. They can be distinguished by their small, bare turkey like head and when soaring can be seen high overhead on a clear warm day. Their wings seem to remain motionless as they search for food with their powerful telescopic eyes.

Vultures like the hawks and eagles are protected by law.

Conroy Marsh Attracts Many Birds

A survey was carried out on the Conroy Marsh recently to determine to what extent the area is used as nesting grounds for waterfowl. Nesting pairs of black, mallards, wood ducks, teal and ring-necked ducks were recorded in this order of abundance.

During the first early hours of the morning and again as the sun sinks behind the hills, the marsh becomes alive with various sounds from creatures inhabiting the area. Most of the sounds come from bird life, the most noticeable of which comes from black birds, grebes, ducks, loons, crows, gulls, bitterns, rails and a multitude of others too numerous to mention.

More birds of different species are to be found in and around a marsh than any other type of habitat. It also affords an excellent opportunity to observe and study birds in their natural surroundings. Identification of various species can very often be made by listening to their sounds even though they may be seldom seen. If you ever wish to visit a marsh, now is perhaps the best time to do it.

Cooking Comments

Serve vegetables as soon as they are cooked. Keeping vegetables hot for a long period reduces the vitamin content.

Coming up — a quick and easy salad. Mix lightly 1 cup of creamy Ontario cottage cheese, 1 cup salad dressing, 1 teaspoon salt, 1 tablespoon chopped chives, 1 cup chopped celery, and a dash of worcestershire sauce. Serve on salad greens or in hollowed out tomatoes.

The Foods Department at Macdonald Institute, Guelph, warns against tasting canned or home preserved vegetables to detect spoilage. If you suspect that leakage and spoilage has occurred, be safe and throw the contents away, untouched.

Variety in textures is a very important part of meal planning. Dry, crisp foods contrast delightfully with moist, soft foods. Try a crunchy, cold, green salad with piping hot creamed chicken on toast. Sounds and looks much better than chicken and mashed potatoes, doesn't it?

Presentation

At this juncture Mrs. Charles Wilson read an address of appreciation to a valued member, Mrs. E. C. Hay-Elis, who will be departing to Elm-vale in August. She was presented with a lovely cup and saucer and a card of signatures of those in attendance. The recipient graciously thanked the River Valley branch and invited one and all to visit her if they were up in the Barrie district.

A paper prepared by one of the conveners was read by Mrs. Roy Bush on the subject, "Did You Know?" This contained a wealth of valuable information. Mrs. John Bee-wick read a special prayer for every day. Mrs. E. C. Hay-Elis read two articles of interest, "Summer Holidays" and "Hints for Holiday Travel-ers." A word contest was won by Mrs. Roy Irven with 31 words from the letters in River Valley.

The lunch committee served sand-

Lengthy Meeting of Stirling-Rawdon District H.S. Board Held Monday

Permission For Survey For Histoplasmosis Granted — Work Planned On Field

Members of Stirling-Rawdon District High School Board were in session until near the midnight hour on Monday at the regular monthly meeting. Chairman H. Morrow was supported by Messrs. Don W. Rodgers, James Johnston, A. R. Mallory and Dr. R. B. Murray.

Correspondence included communications from the Hastings County T.B. Association; Ontario Secondary School Teachers' Federation; Workmen's Compensation Board; Miss V. Williamson, re resignation; J. L. Good; and School Master Furniture.

Permission For Survey

Dr. J. B. McSherry, Belleville, addressed the Board seeking permission for a survey of the school pupils for the prevalence of Histoplasmosis. This disease stated Dr. McSherry, has a high incidence in some areas of the United States and a survey in the St. Thomas area showed 79 per cent positive. In a period from 1953-58 there were seven deaths from it in Southern Ontario. Although treatment is different the disease effects the human body similarly to tuberculosis. It causes calcification of the lungs and can affect every organ of the body. In his opinion a survey was a good thing for the health of the community, concluded the speaker. On motion of Dr. Murray and D. Rodgers permission was granted for the survey, the date to be arranged with the Principal.

D. Robson, representing the H. C. Martin Insurance Agency, presented an insurance plan for the coverage of members of the Board and the Secretary-Treasurer while on School Board business. This covers the members from the time they leave home or place of business until their return. \$50,000 for accidental death and dismemberment; \$50 weekly accident indemnity, and \$2500 blanket medical expense are some of the features of the policy. The cost is \$12 per member and on motion of D. Rodgers and J. Johnston the Board will pay for the coverage.

Joe Irish, caretaker, presented his report in which he listed several repairs needed, also the need for fencing the school property to establish the boundaries. His report was accepted on motion of D. Rodgers and Dr. R. B. Murray.

J. W. Bakker, voiced thanks to the Board on behalf of the staff for clarification of the sick leave and his personal thanks for his appointment as assistant Principal. He also advised the Board that he would be marking Zoology papers for the Department of Education, Toronto.

He informed the Board that the Science Inspector recommended further purchases to complete the science equipment and reported on the sports field. He later agreed to supervise the grading of the school track, the latter part of July.

On motion of A. R. Mallory and J. Johnston his report and requests were granted.

Principal Reports

Principal Good, in his report, presented a request from Mrs. Bailey for purchase of tests in French, and one from Mr. Camm for permission to install shelves in a cupboard in his room. The equipment in the Home Economics Department was to be changed by Ontario Hydro, with the Board to pay for the hook-up, stated Mr. Good.

Turning to a survey of the Grade 9 pupils for next year, he stated there would be approximately 29 from the Village and 49 from the area, along with the repeaters which would necessitate three Grade 9's as in the past year. Members of staff are marking examination papers at present and the students will return June 25th to hear the results.

He had found things running smoothly on his return and paid tribute to Mr. Hay-Ellis and members of staff for sharing the added responsibilities during his absence.

The Principal's report was accepted on motion of D. Rodgers and Dr. Murray, and the Secretary-Treasurer was asked to write a letter to Mr. E. C. Hay-Ellis, assistant Principal, commending him and members of staff for their fine efforts and co-operation during the absence of the Principal.

The following accounts were pre-

The home of Mr. and Mrs. Glen Morrow, River Valley, was the scene of a farewell gathering in honour of Mr. and Mrs. E. C. Hay-Ellis and family on Monday night. A pot luck supper was enjoyed after which addresses were read by Bob Noble, on behalf of the Choir, and Mrs. Ernest Carr, on behalf of the Ladies' Afternoon Guild of St. John's Anglican Church. Presentations of a pen and a pencil set from the Choir and a barbeque set from the Choir and Ladies' League were made by Misses Barbara and Margaret Morrow and Joan McArthur, after which thanks were expressed by the recipients and a social time enjoyed.

Moira Valley Cub Field Day

Two hundred boys and leaders attended the Moira Valley Cub Field Day held at the Stirling Fair Grounds on Saturday, June 8th. The program opened with Robert Cooke giving the Grand Howl, followed by Cub prayer by J. Irish, D.C.

Each group staged a Jungle Dance, after which the boys were divided into "A" and "B" groups and took part in the events leading to the Athlete Badge.

At three o'clock the boys had a rest and enjoyed hot dogs and drinks which were prepared by Scoutmaster Ron Woodbeck and his boys.

The highlight of the afternoon was the tug-of-war with all groups taking part. Madoc and Stirling made the finals and Madoc outpulled the Stirling lads.

LEGION NOTES

This coming Saturday, June 22nd, a unique and important event will take place at the Stirling Legion Hall commencing at 6.30 p.m. The Second War veterans of Stirling and district will be hosts to all veterans of World War I. While the event is being sponsored by the local branch of the Royal Canadian Legion, it is open to all veterans.

It is interesting to note that at present there are over 50 veterans of the war of 1914-1918 living in this area. All of these known veterans have been invited. It is possible that the committee in charge has missed one or two. If this is the case, we sincerely hope that someone will let us know and a special invitation will be sent out right away.

As time passes, the ranks of these older veterans will thin. For this reason, it is felt that this special night in honour of all First War Veterans will prove to be a great attraction. It will afford all such veterans the opportunity of getting together with their comrades of 1914-1918. A special (Continued on page eight)

District Governor Visits Rotary Club

Cowden Whitfield, Orillia, Gives Interesting Address — Donation Fellowship Fund

"As of May 15th there are 535,500 Rotarians in 149 countries working to improve community life and understanding throughout the world," stated District Governor Cowden Whitfield, of Orillia, on the occasion of his official visit to Stirling Rotary Club on Tuesday night.

After bringing greetings from Rotary International, he complimented the local club on its community work and club service. He suggested that the club establish a liaison with the vocational guidance department at the High School so students could discuss their prospective careers with the Rotarians occupying that particular classification.

Referring to the District's student exchange, he stated plans had been made for an engineering graduate in Chile to further his studies, but due to different qualifications he was unable to come.

For the first time the President of Rotary International is an Asian. He is a Hindu from Bombay, India, and since his election there has been much more intermingling of North American, European and Asian Rotarians. He has prepared Rotarians for work and raised their intellectual attitude.

In closing he reminded his audience that too often good business ethics are abandoned for monetary gain, but we should keep our ethics high and thus have a strong effect on the community.

The speaker was introduced and thanked by President D. R. Williams. In the general business session of the Club it was decided to bring the contribution to Rotary International Fellowship Fundation up to 100 per cent and add an additional \$100 if circumstances permitted.

West, Stirling, was united in a double ring wedding ceremony to Sub/Lt. Thomas Michael Brett, son of Mr. and Mrs. T. E. Brett, Kamloops, B.C.

The Rev. P. J. Hommersen officiated before a background of white 'mums and pink carnations. Sprigs of lily-of-the-valley were entwined in triple white bows to mark the guest pews.

The wedding music was rendered by Mrs. Harry Brown, who also accompanied the soloist, Mrs. Harold West in her rendition of "The Lord's Prayer" previous to the ceremony and "Walk Hand In Hand" during the signing of the register.

The bride, given in marriage by her father, was lovely in a floor-length bridal gown of peau de faillie. The bell-shaped skirt was enhanced with two embroidered panels in the front. The scoop neckline was embroidered and long sleeves ended in lily-points at the wrist. Her shoulder-length veil fell from a tiara of seed pearls and she carried a cascade of red sweet-

heart roses interspersed with white Stephanotis.

Miss Pat Payne, of Oshawa, was maid of honour and Miss Susan West, sister of the bride, was bridesmaid. Both wore identical dresses of pale pink organza over taffeta with bell-shaped skirts, embroidered bodices, pink headresses and veils with white accessories. Each carried a nosegay of blue and white carnations and 'mums, interspersed with lily-of-the-valley and streamers of satin ribbon.

Sub/Lt. J. E. Croft, of Toronto, attended the bridegroom, while Sub/Lt. Ray Coatsworth and F/O L. A. Vermeersch were ushers.

The reception was held at the bride's home in the form of a tea. The bridal table was centred with a three-tiered wedding cake and flanked with six pink candles. The bridal bouquets completed the nuptial setting. The bride's mother received the guests in a three-piece ensemble of soft pink boucle knit, white accessories and a white orchid corsage. The mother of the groom was attired in a pale blue linen sheath with matching three-quarter length coat, white accessories and gardenia corsage.

County Health Plan Now Open

The Hastings and Prince Edward Community Health Plan sponsored by Physicians' Services Incorporated, (P.S.I.) opened for enrolment on Monday, June 17th, 1963. Offices have been established in Belleville, Trenton and Picton. These offices are staffed with P.S.I. personnel who are trained to answer questions on the program and complete applications. The offices will remain open daily from 9 a.m. to 5 p.m., Monday through Friday.

Also to assure that all permanent residents of the two Counties are contacted, ten representatives will make a door to door canvas. These representatives have already started to canvas the City of Belleville, and will continue to work their way into Trenton, Picton and the rural areas. The enrolment is open for only a short time and because of the large number of permanent residents in the Counties of Hastings and Prince Edward, it will only be possible for the representative to make one call at each home. If the occupants are out, the representative will leave an "out" card which will give the telephone number of the nearest office. Residents requiring further information should phone this number.

Douglas Brown, spokesman for the plan has advised the News-Argus that some of the features are: No age limit for adults, no medical examination or statement of health, no exclusion for chronic or pre-existing conditions and while you must be a permanent resident to enrol, if you leave the area, the plan can be taken with you at no extra cost; the plan covers first call home, office and hospital doctor's visits, surgery, administration of anaesthetics, x-rays and many other benefits.

Holiday Trip By Stirling W.I.

On Thursday afternoon a very interesting meeting of the Stirling Women's Institute was held at the home of the President, Mrs. Frank Smith. The usual exercises were done.

Roll call was "Hints for a sick room," and a number of worthwhile suggestions were given. One of the most outstanding ideas was — visit the sick only when you are in a pleasing mood. You go to visit the sick, not to unload your troubles and miseries.

The minutes and correspondence were given and dealt with according to regulations. A "thank you" letter from Mrs. E. Luery, a short course letter and one from Scott Mission were received. The new programmes were handed out.

The quilt question took quite a lengthy discussion. It was decided to buy suitable linings for the same and an all-day quilting will be held on Tuesday. This will conclude this project until the fall.

Useful clothing is coming in quite plentifully so it is planned to ship the bale the last of June. This too will be closed until fall. The regular collection and Coins for Friendship were taken up by the Treasurer, Mrs. W. C. West. The holiday trip was decided on with Mrs. M. Aythart and Mrs. L. Bronson appointed to be in charge.

Unit Four St. Paul's UCW

The June meeting of St. Paul's United Church Women, Unit Four, was well attended on Tuesday, June 11th.

Mrs. Harold Wells presided and following the opening, the business was dealt with. This included minutes, roll call and the treasurer's report. Finances were shown to be a bit in arrears as compared with this month of last year. Thirty calls were reported made on sick and shut-ins. Contributions were added to the Birthday Box. The bazaar in November will be from two to five p.m. and each member is requested to make two donations of some sort. The July meeting is to be at Nina Morton's cottage at Oak Lake.

The devotions were led by Mrs. J. Sharpe, with the study from Acts, 8th chapter, the account of Phillip and the conversion of the influential eunuch of Ethiopia.

The offering was received by Mrs. R. Bush and Mrs. B. Bateman.

A poem entitled, "The First Robin," was read by Mrs. R. Patterson as follows:

His "cheer up" song left this message, He cared not that it was raining He cared not for the snow, The Father above would care for him Through sun and rain and snow.

The mission study on Taiwan (Formosa) was taken by Mrs. Volney Richardson with three panelists, Mrs. G. Carlisle, Mrs. J. B. Hough and Mrs. J. Thompson, assisting.

Mrs. Richardson introduced the study with a splendid description of the nature of that beautiful island, its size, position and geography, its products and problems, chief of which was the exploding population pressure upon the land.

Mrs. Hough told of the various

tribes that inhabited the island from the time of the early aborigines from the Philippines, up to the present time, up through the Japanese occupation, and to the period when now the Republic of China has taken over with 2,000,000 people from the China mainland as well as the large standing army of Chiang Kai Shek.

Mrs. Carlisle brought highlights on education in Taiwan, which has been a problem as each migration of people kept their entity and used a different language. However, less than 10 per cent of the adult population is illiterate. Education is closely linked with the work of the Christian church and students are anxious to secure scholarships in America. Elementary schooling is free and compulsory, and one out of every eight continues in High school, there being 21 institutions of higher learning on the island.

Mrs. Thompson told of the progress made by the Christian churches from 1865 when Dr. James Maxwell of the Presbyterian Church in England, and Dr. James MacKay, of Canada, in 1872 first went to Formosa. Today, from these two roots has sprung one native church. Always the missionary approach was through the ministry of healing, but many other religions confront Christianity.

The people of Taiwan are courageously clinging to hope in the midst of hopelessness and are trying with dogged determination to achieve a better life for their children that they may find a meaning and purpose to life.

The meeting closed with the use of the hymn "O Master of the Waking World."

The attractive puppets made by some of the women for the hospital were on display and much admired, as were also some articles made by Mrs. R. Stapley.

Mrs. Warren Harlow expressed appreciation to all of the June committee for the interesting programme and refreshing lunch served at its close.

SPINACH

If your family doesn't like spinach, perhaps they don't like it because of the way it's cooked. Here are a few tips from the home economists of the Consumer Section, Canada Department of Agriculture.

First, be sure the spinach is fresh, crisp and green. Cut off roots and remove any heavy stems. Discard any yellow, soft or withered leaves.

Then wash it thoroughly and shake leaves to remove excess water. Place spinach in a saucepan and do not add any extra water as there is enough clinging to the leaves. Add $\frac{1}{2}$ teaspoon salt for 6 servings i.e. 2 pound bulk spinach or 2 10-ounce packages. Sprinkle it between the layers of spinach as you add it.

Cover the pan tightly and cook until barely tender (about 3 to 6 minutes only). Turn the spinach over after it has wilted so that it cooks evenly.

Before draining, cut crosswise through spinach with a sharp knife to allow liquid to drain off more easily.

The result — a green, tender, mild flavoured vegetable, low in calories and rich in vitamins and minerals (particularly iron). Because you have not added water, more of these nutrients will be retained in the vegetable itself.

Freshly cooked, tender green spinach is delicious served with only butter and pepper and salt. However, for a spinach "special" which will surprise and please your family and guests why not try one of these combinations from the test kitchens of

the Consumer Section, Canada Department of Agriculture.

Spinach in

Browned Butter

Prepare and cook 2 pounds bulk spinach (or 2 10-ounce packages). Add $\frac{1}{2}$ teaspoon salt. Cook quickly 3 to 6 minutes with no added water other than that remaining on leaves after washing. Drain well. Chop if desired. Heat $\frac{1}{2}$ cup butter in a frying pan over medium heat until light brown. Chop if desired. Heat $\frac{1}{2}$ cup butter in a frying pan over medium heat until light brown. Immediately remove from heat to prevent over-browning. Add $\frac{1}{4}$ teaspoon nutmeg and spinach, return to heat and stir gently until thoroughly heated. Four to five servings.

Spinach Au Gratin

2 10-oz. packages spinach
OR 2 pounds bulk spinach
 $\frac{1}{2}$ teaspoon salt
 $\frac{1}{2}$ tablespoons butter
 $\frac{1}{2}$ cup shredded Cheddar cheese
2 tablespoons butter
 $\frac{1}{2}$ cup dry bread crumbs
Prepare and cook spinach quickly, 3 to 6 minutes, using $\frac{1}{2}$ teaspoon salt. Drain well. Chop if desired.

Melt the 3 tablespoons butter in saucepan, add spinach and heat. Add $\frac{1}{2}$ cup of the cheese and stir gently to mix. Turn into a buttered shallow baking dish and sprinkle with remaining cheese. Melt the 2 teaspoons butter, stir in dry bread crumbs and sprinkle on top of cheese. Place in a hot oven (400 degs. F.) until crumbs are lightly browned, about 10 minutes.

Four to five servings. Creamed Spinach

2 10-oz. packages spinach
OR 2 pounds bulk spinach
 $\frac{1}{2}$ teaspoon salt
2 tablespoons butter
 $\frac{1}{2}$ cup chopped onion
1 clove garlic, finely chopped (optional)
1 tablespoon flour
 $\frac{1}{2}$ cup light cream

Prepare and cook spinach quickly, 3 to 6 minutes, using $\frac{1}{2}$ teaspoon salt. Drain well, pressing gently to remove excess water. Chop finely.

Melt butter in saucepan, add onion and garlic and saute until transparent, about 5 minutes. Stir in flour and cook until mixture bubbles. Reduce heat, gradually add cream and continue cooking, stirring until mixture thickens. Add spinach, combine with sauce and stir until thoroughly heated. Four to five servings.

OF MANY THINGS

(By Ambrose Hills)

SEX FOR WRITERS

Pierre Berton's column is to be dropped from Maclean's magazine presumably because his articles on sex, and his frequent use of that subject which gains him so many readers, have offended more subscribers than Maclean's can afford to alienate.

I hope this is an indication that Maclean's magazine, once one of the best on the continent, is going to cease its frantic efforts to gain mass circulation through sensationalism.

One must at the same time, have some sympathy for Berton. He knows that to gain a large following, one must write on subjects likely to attract responsive readers. Sex is one of those subjects, particularly if one takes an offbeat attitude towards it. The temptation to use it is very strong. About 90 per cent of the

best selling books place a heavy emphasis upon it. Once an author tastes the drawing power of it, he is tempted to use it often. It seems that the sure road to riches in the writing business or in TV entertaining is to go about saying "Sex, sex, sex." Pierre Berton had other subjects, but it seemed to me that just about every time I happened to read him or tune him in on TV he was plucking the same old string. I don't think Canada is in need of a sex Messiah; most Canadians take that problem in their stride, or get advice from more reliable sources than popular magazine articles or television stars. At least I hope so.

Readers, of course, have some responsibility. Too many demand sensationalism or at least an off-beat slant on life. Failures like to read that the system is against them. Deviates like to be told the whole world is cockeyed. Misfits enjoy the false idea that they are misfits merely because society is a mess. And as long as there is a vocal army of this sort, there will be writers who will give them what they want, and then some! Meanwhile, readers who enjoy more solid fare are usually less vocal. They seldom write to editors. They read and enjoy and take for granted. Editors forget they exist, and go looking for an audience more likely to respond. But when one of their popular writers goes a shade too far, they piously close him down.

Mount Pleasant U.C. Women

On Thursday afternoon, June 13th, fifteen ladies attended the monthly meeting of Mount Pleasant United Church Women at the Church Hall.

Mrs. Harry McAdam presided and Mrs. Kenneth Weaver was pianist. The service opened with "Saviour Like a Shepherd Lead Us." Mrs. Herbert Smith read the Bible verses and the convener, Mrs. Douglas Campbell, gave the meditation on "Trust" and she also gathered the offering which Mrs. John Holmes dedicated. The assistant programme convener, Mrs. Harvey Couch, read a special article.

Mrs. Carleton Potts sang, "When We Walk With the Lord." Mrs. W. G. Fletcher outlined another Bible study chapter on the Word and the Way. Selections were read by Mrs. Grant Hubble and Mrs. Thos. Saries.

Roll call was answered with a recipe. Plans were made for a bazaar sale at Hoard's on July 8th and the Messengers meeting on July 11th. Invitations were received to visit Burnbrae and Bethel.

At the close Mrs. Marguerite McMullen and Mrs. Allan Reid served fruit bread and tea.

Private Medical Care Better Than Govt. Schemes

Experience in other countries with government medical care indicates private medical care programmes can produce better results. E. Glyde Gregory told the Canadian Manufacturers Association at its recent 92nd annual general meeting held at Toronto.

In an address on the impact of medicine, the President of Ayerst, McKenna & Harrison Ltd., of Montreal, noted that the introduction of state medicine in Germany in 1884 was "about the time the decline of the German pre-eminence in scientific medicine began." Soviet Russia has had socialized medicine for 43 years "and since its advent the U.S.S.R. has made no major or moderate contribution to any of some 20 branches of medical science." The cost of the U.K. National Health Service instituted in 1948 "has been a heavy burden to the nation."

"The drug industry which provides the medicaments, the pharmacists who dispense them, the insurance companies which provide voluntary health insurance, the doctors who will be expected to treat patients, all are united in opposing government control of health care," the speaker declared. "We are all convinced private enterprise has already proved its ability to carry out this mission much more effectively than the government can."

Mr. Gregory said Canada spends twice as much of our national income as the United States does on health and welfare, despite our much less wealthy and less mature economy. We spend much more proportionately than Britain which we are inclined to look upon as a welfare. He quoted statistics showing that the cost of a comprehensive medical and surgical care plan would be upward of \$350 million a year. This would raise total spending in the health field by all governments by 33 per cent to a grand total of \$1,600 million a year, and this is only the beginning. If the existing hospital insurance scheme at

\$540 million annually were added, this would represent a sum equal to one-seventh of the entire Federal budget, Mr. Gregory noted. To supply drugs in a government-sponsored plan, it had been authoritatively estimated would cost in the \$300 to \$360 million range in its initial year of operation. Mr. Gregory quoted statistics to expand quickly and be much greater than first estimates.

CONSERVATION NEWS

Don't Pasture In Woodlots

It is not generally known, but it is true: Pasturing is one of the causes for the miserable conditions of many of the farm woodlots on the shores of the Bay of Quinte.

Pasturing is not only harmful to the woods, it is also mainly ineffective where volume is concerned. The amount of food which the cattle obtain on an acre of an average farm woodlot is only one sixth or one tenth of that obtained on an acre of an average pasture.

This is why it is harmful to the woods:

(1) Cattle trample young saplings.
(2) Cattle bite off the young tender shoots of our most valuable hardwoods — maple, oak, basswood, etc. Thus these species do not develop.

(3) Cattle don't like the branches of tough ironwood, and of the prickly ash. That's why after a while a pastured woodlot's young growth consists largely of these two unwelcome species.

(4) Cattle damage the roots of grown trees. Thus they retard their growth, and often cause disease and rot.

(5) Cattle compact the soil so it cannot absorb water which causes the soil in the woodlot to dry up. On the other hand, the fast run-off after a rain causes the brooks and creeks to swell faster, increasing flood danger where woods pasturing is practised on a large scale over a wide area.

It is true that a woodlot provides welcome shade for cattle grazing on an adjoining pasture, but the cattle don't need a whole woodlot for shade and by fencing off an acre or so of woods enough shade is provided for them.

There are no good arguments for pasturing in the woods, but there are plenty against it.

Consult the nearest Department of Lands and Forests office for further detailed information regarding this most obnoxious practice, which is responsible for the destruction of some of the choice woodlots that would otherwise grow excellent hardwood trees.

Hardwoods will undoubtedly become more valuable and will be in greater demand in future years.

Black Duck Fosters

"Good Luck Charm"

During the course of a survey on Sharbot Lake recently a black duck was disturbed from her nest on a rocky shoal in the lake by the survey party when passing by.

A closer examination revealed her nest among some shrubs on the rocky shoal. The nest contained nine eggs and among them the brass base of a discharged 12 gauge shotgun shell, well polished, as were the eggs themselves.

Let us hope that this unassuming mother duck and her family does not meet up with the wrong end of one of these lethal "charms" this autumn, as a reward for the care she has given to the old spent cartridge.

Cooking Comments

Long, slow cooking is recommended for meats. High temperatures produce meat that is tough, stringy and dry. A lower temperature (325 degs. F.) produces juicy and tender meat that will be a credit to every cook.

Be sure that metal cake pans are bright and shiny, inside and out. If the pans are shiny, cakes will brown evenly and delicately. Dull dark pans cause cakes to brown too fast and too unevenly. To keep metal pans shiny, clean with steel wool.

To reheat coffee cake and rolls, place them on a cookie sheet, uncovered, and wrap loosely in foil. Heat at 400 degs. F. for ten minutes. Try heating them by slicing and toasting the coffee cake or rolls under the broiler.

For chocolate cakes, sprinkle the bottom of the greased pan with cocoa, not flour, to avoid the grayish bottom crust.

Triangle of waxed paper on the plate under cake will protect the surface of the plate from excess icing while cake is being frosted.

Farm Wagons

A farm wagon would appear to be a fairly safe vehicle, since it travels at a slow speed, is not self-propelled and has a wide wheelbase which makes for stability. However, when loads of loose hay or bales are piled high on it the situation changes. Loose hay, particularly, creates a very bouncing, unstable platform on which to ride. Hal Wright, Farm Safety Specialist with the Ontario Department of Agriculture, warns that while it is fun for your children to hitch a ride to the barn, it could be dangerous. During the 1960 hay season six Ontario farm people were killed and one hundred and seventy-three injured, including forty-eight children. So be kind to your children by refusing to allow them to ride on the load of hay alone.

Hooked Big Lake Trout

On Wednesday of last week Mrs. Don Scott, Green St., landed an eighteen-pound eight ounce lake trout while fishing in Mink Lake in the Maynooth area. The fish had a girth of 21" and was 35" in length. The weighing and measuring was done through the courtesy of Elgin Orm, operator of Algonquin Lodge, Lake St. Peter.

monogrammed brief case on behalf of Laurel Rebekah and Stirling lodges.

At this time the Grand Master and Mrs. Fox were escorted to the front by Ray Sine and Roy Tucker and given seats of honour at a lace-covered table. Mrs. Gordon Richardson presented Mrs. Fox with a bouquet of roses and Mr. George Carlisle read an address to the Grand Master and Basil St. Pierre made the presentation of a beautiful silver tea service on behalf of Laurel Rebekah Lodge and Stirling Lodge, No. 239. The Grand Master also received a suitably monogrammed brief case from his wife, and a shirt and tie from Misses Rosa and Gena Spry. Mrs. D. Wamaker, a daughter, of Peterborough, presented her parents with a beautiful floral arrangement along with personal gifts on behalf of the five daughters and sons-in-law.

Grand Master Speaks

In his acceptance address the Grand Master stated he felt most humble on being chosen to represent the Grand Lodge of Ontario during the coming year. The success or failure of his term of office was dependent on the support of the individual members of the Order. Given this he was prepared to do all in his power to make it a banner year. He was most appreciative of all that had been done for him and the presence of a large number from this district at his installation in Toronto on Thursday night was an added thrill. "Without friends my advancement to the office of Grand Master would not have been possible," stated Mr. Fox, "and I hope this evening is the beginning of a bigger and better friendship."

In closing he voiced thanks to the committee on arrangements and all who had a part in making his reception an evening long to be remembered.

Presentation To Lodges

The Grand Master then presented a solid walnut case suitably inscribed enclosing a pair of gavels to Laurel Rebekah Lodge, No. 211 and Stirling Lodge, No. 239. Mrs. Gordon Richardson, N.G. and Basil St. Pierre, N.G., accepted the gifts on behalf of their respective lodges.

A solo by Mrs. J. Pollock, accompanied by Gerald Taylor, and the benediction by Rev. P. J. Hommersen brought the programme to a close.

Resignation of Chief D. Ketcheson Accepted By Council

The Clerk was instructed to advertise in the Globe & Mail, the Ontario Intelligencer and the local paper for a Chief of Police.

A request from the Clerk for a month's holiday, July 20th to August 20th was granted.

First War Veterans Entertained by World War II. Legionnaires Here

Pot Luck Supper Enjoyed — Silver Legion Tankards Presented Two Comrades

There is a saying that "old soldiers never die." This was borne out last Saturday evening when some 30 veterans of World War I were honoured by the veterans of World War II. The event was the first of its kind ever staged in this area, and judging from its success we feel sure that it will become an annual affair.

Legion President Allan Lawes brought the meeting to order, and after the regular opening ceremony, Comrade First Vice-President, William McMullen proposed a toast to Her Majesty Queen Elizabeth and Comrade Blake Faulkner said grace. All the Second War veterans waited on table and everyone was treated to a most delicious pot luck dinner which featured roast turkey and some of the best food ever tasted in this or any other part of the world.

Following the dinner, President Lawes welcomed the honoured guests to the Legion Hall. He stated that all First War veterans would always be welcome at the Legion. Stirling Legion has a name in this area for the great number of First War men who are still active members. The Legion President stated that this was a fact

of which the branch was justly proud. Several of the "old soldiers" demonstrated their keen memories by snapping off their units and regimental numbers in a manner that reminded one of pay day in the ranks.

Toast To First War Vets

Branch Secretary, Comrade Bert Bastado, proposed a toast to all First War veterans. In his remarks, the branch Secretary pointed out that had it not been for these veterans of World War I, the Legion in this area would perhaps never have been started. He pointed out that the Legion needed the interest and support of all veterans and the interest shown by the older veterans was a great inspiration to all the younger members of the Legion.

Comrade Fred Houchin responded to the toast. In his response Mr. Houchin traced the history of the Legion in Stirling. From its first organization the Legion in this community knew some fine days, and through the depression years, some dark days. He pointed to the fact that up until World War I, very little had been done for the returned veterans of any war. After 1918 some effort was made to recognize (Continued on page six)

Horticultural District Meeting At Picton

(By Phil Dodds, Picton Gazette)

That Horticultural Societies in this district are playing an important role in the beautification of their respective districts, not only by the ef-

forts of members, but through example and leadership, was revealed at the annual meeting of District Three, Ontario Horticultural Association held in Picton on Saturday.

In presenting reports, Societies in Brockville, Collins Bay, Kingston, Gananoque, Picton, Belleville, Stirling, and Napanee, revealed that each is undertaking a great deal of public

planting. Other projects include flower shows, educational lectures, bus trips, bird house building competitions for juniors, planting of trees in school yards and to mark commemorative occasions and to honour outstanding citizens, distribution of plants, seeds and tree seedlings, providing flowers for churches, publication of garden hints, garden and lawn competitions, and working with municipal and government bodies to encourage beautification and improvements.

The Societies were commended on their work by Murray Smith, of Chatham, President of the Ontario Horticultural Association, and Russell Gomme, Ontario Department of Agriculture, Ontario Secretary. You are playing a vital role in making the Province more attractive for everyone, they told delegates.

"Make the world a little bit better and a little more beautiful because you have lived in it," was the motto suggested by Phil Dodds, Picton, District Director, who was re-elected to that office with Dr. H. M. Good, of Kingston, as Associate Director; Mrs. James McHarg, Kingston, Secretary. Naming Mrs. J. S. Shepherdson, of Kingston, as Honourary Director, the annual passed a motion to be forwarded to the Ontario Association requesting that she receive one of the top provincial awards in recognition of

her service of over ten years as District Director, a Horticultural Society member over 25 years and as one who has given outstanding leadership in promotion and organization in many ways.

An honoured guest was J. B. Belshaw, of Stirling, a Society member for over fifty years and District Director for six years.

At the dinner, held at St. Andrew's Church, with 75 delegates, Mr. Smith, Mr. Gomme and Mrs. Shepherdson were presented with Prince Edward County cheese as token of appreciation. A special guest was Mr. Viso, a Queen's student from India who is being "adopted" by District Societies so that he may see all parts of Ontario while here.

Diplomas, available from the Ontario Societies, for junior work, were exhibited by Mr. Gomme. He revealed that the Association has adopted a special tree for planting to mark Canada's Centennial. It has been propagated in Western Canada, is entirely new, and is to be made available to Societies, municipalities and other groups prior to offering to individuals. None will be sold until the spring of 1967 and it is still a top secret.

Having attended most of the other 15 District meetings in Ontario, President M. Smith spoke of early Horticultural Societies and their great in-

fluence for good over the years. He especially commended the Societies which did planting around municipal buildings as evidence of their interest. A tour of scenic Prince Edward followed the meeting including afternoon tea at Lake on the Mountain.

Those attending from Stirling were Mrs. F. Armstrong, President; Mrs. H. Clarke, Mrs. P. Craighead, Mr. and Mrs. J. B. Belshaw and Mrs. B. Jones, of Campbellford.

Mrs. Lebow took charge of the programme. A hymn was sung. Mrs. Lindsay Tanner gave a reading. A well prepared skit on "Formosa" was put on by the ladies of Beulah U.C.W. This was exceptionally well received and left much food for thought. Mrs. Elmer Rollins and Mrs. Stewart Cooney sang, accompanied by Mrs. George Wood at the piano.

Mrs. Clifford Mitz gave a chapter of the study book entitled, "Miracles" which was very interesting. Mrs. Mitz Wickens thanked everyone who helped with the programme. The collection was received and a hymn and the benediction closed the meeting. Lunch was served and a social hour enjoyed.

Salem UCW

The June meeting of Salem U.C.W. was held Thursday evening in the church hall with a splendid attendance. The ladies of Beulah U.C.W. and St. Thomas W.A. were guests.

The President opened the meeting with a poem, followed by the theme hymn and the Lord's Prayer. Mrs. Lebow read the Scripture lesson, gave the comments and offered prayer. A hymn was sung and Mrs. Sine extended a welcome to all, especially mentioning the visitors.

Roll call was answered and minutes read. Roll call for July will be a favourite Scripture verse. Mrs. Ern Broadworth reported for the visiting committee. Mrs. Orval Jackson reported for the card committee. Mrs. Lorne Hagerman and Mrs. Tom Clements will be the visiting committee for July. Correspondence was read and business discussed.

Former Parish Priest Father S. LeSage Buried In Tweed

Funeral services were held on Tuesday, June 18th from St. Carthage's Church, Tweed, for Rev. Simon LeSage, a widely-known native of Tweed whose outstanding service in the church in this area brought him a wealth of friends.

Father LeSage was pastor of Chesterville until 1956 when he was forced to retire after suffering a stroke that confined him to a wheelchair.

Although invalided, he continued an active life and received permission from the Holy See to celebrate Mass in his wheelchair at a special altar.

He also was active in the work of the Legion of Mary at the St. Mary's of the Lake Hospital, where he was a patient for the last seven years, and administered to patients and others. He preached his last sermon at the Forty Hours Devotion in St. Vincent de Paul Church, Deseronto, on June 2nd.

Father LeSage was born 63 years ago at Stoco, the son of the late Mr. and Mrs. Mitchell LeSage, and was educated at St. Carthage's Separate School and Tweed High School. He attended St. Alexander's College at Ironsides, Que., and entered the Grand Seminary of Montreal in 1920.

He was ordained in Montreal in 1924 and spent his first years of priesthood as an assistant in Prescott and Picton.

Later he was appointed an assistant at St. Mary's Cathedral in Kingston where he served as chaplain to Hotel Dieu Hospital and director of Catholic Charities. In 1937 he became pastor of Stirling and Frankford and moved to Chesterville in 1949.

The funeral was attended by 70 priests, many of them former classmates, and 40 sisters. Solemn Mass was celebrated by Very Rev. J. J. Channon, of Prescott, assisted by Rev. J. W. Callahan, Westport; Rev. Clayton LeSage, of Spencerville, and Rev. B. J. Walsh. The sermon was given by Rev. C. E. Baker, of Tweed.

Archbishop H. A. O'Sullivan presided at the throne and officiated at the Libera, attended by Rev. B. L. Farrell and Rev. J. F. Feeney.

All priests taking part in the ceremony were classmates of Father LeSage, except Rev. Clayton LeSage, who is a cousin.

Interment was in St. Carthage's Cemetery.

Father LeSage is survived by two sisters, Sister Mary Ivan, at Heathfield, and Sister Mary Berna, at Prescott, both Sisters of Providence; and three brothers, Ernest, Wilfred and Felix, all of Tweed. —Tweed News.

Many Residents Enrol In Com. Health Plan

Response to the P.S.I. enrolment campaign for permanent residents of Hastings and Prince Edward Counties including all residents of Trenton, so far, has been very encouraging, according to officials of P.S.I.

The offices in Belleville, Trenton and Picton reported that they were exceptionally busy on opening day, June 17th, and there has been a steady flow of people contacting the offices for the past week and a half.

There has been a great deal of interest shown towards this plan by the rural population and as a result there has been minor changes in the P.S.I. plan for contacting residents. Initially, the P.S.I. representatives started to canvass the City of Belleville, but because of the interest shown by people residing in the County and smaller towns moved into the rural and town areas on June 20th to complete the rural canvass. Nearer the

latter part of the campaign, a concentrated effort will be put on in the City of Belleville and the Town of Trenton. Also to make sure every permanent resident does not miss this opportunity to enrol for this comprehensive coverage, advertising will appear in this newspaper throughout the campaign, giving office addresses and phone numbers. The plan sponsored by P.S.I. includes first call home, office and hospital doctors' visits, surgery, administration of anaesthetics, x-rays and many other benefits. Coverage will commence August 15th, 1963.

Interment was made in Bethel Cemetery.

On Friday evening at seven o'clock a memorial service was held at the Duffin Funeral Home, under the auspices of the Masonic Order.

4-H Auto Safety Club Met At Stirling Motors

The Hastings 4-H Auto Safety Club held its fourth meeting on Wednesday, June 19th at the Stirling Motors Ltd. garage, Stirling, at 8.00 p.m.

The meeting was called to order and President Clare Trevorton led the members in repeating the 4-H Club Pledge. Secretary Kalvin Sharpe took the roll call.

The President turned the meeting over to the Assistant Agricultural Representative, Mr. Lyall MacLachlan, who introduced the guest speaker for the evening, Mr. George Loshaw, Service Manager at Stirling Motors.

Mr. Loshaw gave a demonstration of four different kinds of cleaner and polish for the body of a car, showing the finished product, even after it had been wet. He then demonstrated the use of a spray paint for chrome polish, paint for the dashboard and interior; a cleaning solution for the interior of the car; cleaner for the motor of the car; what to use on whitewall tires, and how the undercoating looks after it is dry. Mr. Loshaw also gave tips on brake fluid, a restorer for carburetors and a protector for the engine, as well as a few safety tips for batteries. To conclude he gave out booklets which contained some of the information of which he had spoken.

Mr. MacLachlan and the club leader, Mr. Harold Chambers, inspected the cars (projects) driven by the 4-H Club members during the earlier part of the meeting and made a few comments on the looks of the car and what improvements could be made.

All members found the meeting to be very interesting and most helpful to make an old car look like new. After the appreciation of the club members was expressed the meeting adjourned.

The next meeting will be held on July 25th.

**It's Time For Some
Plain Talk About
Your Present Automobile**

Your car is the most valuable thing you own, unless you have paid for your home. That means your car is valuable enough to take care of properly. Here's what happens if you don't.

If your motor performs at less than peak efficiency, you lose money on gas mileage. That costs real money — more money than it costs to keep your car in good running condition. If you let your car go too long without repairs, you endanger the life of your family.

When you trade it in on a new car, your car dealer has to fix it up before he sells it. That costs you money too, far more than you may think. It also robs you of the safety you should have had while you owned the car, and repairs done early prevent bigger repair bills later on. It's like the stitch in time that saves nine.

You save money a number of ways by taking care of your car. For instance, you get a better price for your car when you trade it. Big car owners know this; and big car owners protect their investment. So do Fleet Owners — and most people who own a car for business purposes.

If you, as a private car owner, want to get your money's worth out of your car, here's a suggestion:

BRING YOUR CAR INTO OUR SERVICE DEPARTMENT FOR REGULAR SERVICE CHECKS. OUR MECHANICS AND SERVICE MANAGER ARE FACTORY TRAINED IN OSHAWA AND WE SPEND HUNDREDS OF DOLLARS EACH YEAR IN BUYING UP-TO-DATE TOOLS AND EQUIPMENT TO SERVICE YOUR CAR PROPERLY.

June Meeting Farmers' Union

The June meeting of Local 171 of the Ontario Farmers' Union was held at the home of Mr. and Mrs. Fred Beckett. Murray Bateman was chair-

man and opened the meeting with the singing of the Queen, accompanied by Mrs. Beckett.

The Secretary reported that the variety show and sale which was held in Spring Brook Hall on June 7th was very successful.

A letter from Prince Edward County was read asking if Hastings

wanted to hold a joint picnic with them again this year. The Local thought this would be a good idea and the latter part of August was suggested as a good time for it.

Jeanne Williams reported on a board meeting in Guelph. The Union needs money to carry on until dues start coming in again this fall. The Ontario Farm Union Convention is to be held in Barrie this year during the last week of October.

It was moved by Harper Bateman and seconded by George Williams that we send a donation of \$50.00 to head office. It was also decided to hold a bake sale in Stirling and a committee was set up to look after same. A discussion was held regarding various farm problems. It was decided to hold the next meeting at the home of Mr. and Mrs. Morton Reid. The ladies served lunch and a social time was spent.

Bride-To-Be Honoured At Mount Pleasant

Mrs. Raymond McConnell entertained over thirty ladies on Wednesday evening, June 19th in honour of Miss Gail Scott, a bride-to-be. The home was decorated with pink and white streamers and bells and the lawn was specially lighted for the occasion. The guests included Mrs. Coleman Townsend, mother of the groom and the bride's sister, Mrs. Robert Smith, of Rawdon.

A game was played during the evening and Miss Judy Cooney won the prize.

The programme consisted of a poem read by Mrs. Doug Campbell, "A June Bride." A piano solo was rendered by Miss Shirley Potts and a vocal duet by Misses Judy and Joyce Cooney. Thirteen ladies staged a mock wedding on the lawn beneath the lights. A bride's book was made with recipes, pictures and poems.

Gail was given a seat of honour and Mrs. Craig Watson read an appreciative address. Mrs. Frank Spencer and Miss Barbara Williams carried in a

decorated basket of wrapped parcels. These the bride-to-be opened and passed around for all to view the large collection of lines. A very pretty hat was fashioned from the various ribbon bows.

She voiced appreciative thanks to her friends for the lovely party in her honour and for the gifts. The hostess and assistants served dainty refreshments and the group enjoyed a social half hour.

Mrs. H. Stobbart Honoured At Minto

Mrs. Sam Twiddy with Mrs. Clare Hagerman as co-hostess, entertained several ladies to a tea in honour of Mrs. H. Stobbart who will be leaving this circuit in the near future.

During the afternoon a short programme was enjoyed consisting of a reading, "I Am Praying For You," by Mrs. V. Hagerman. "Lift Up Your Eyes," was read by Mrs. Jack Wickens. Mrs. S. Twiddy read, "My Prayer." Mrs. Vene Hagerman played "Memories."

Miss Linda Reid read an address and Mrs. Clare Hagerman presented Mrs. Stobbart with a beautiful blue mountain china centre piece on behalf of the ladies present for which Mrs. Stobbart very suitably replied, "Blest Be the Tie That Binds" was sung.

The hostess and her assistants served a dainty lunch and a social hour was enjoyed with the guest of honour.

River Valley W.I.

Mrs. Ernest Carr, Secretary, attended an officers conference at the O.A.C. Guelph, last week; also the special reception on Thursday for the World President.

On Friday, June 21st Mrs. Jack Bush, Mrs. Roy Bush, Mrs. Geo. Heasman, Mrs. Roy Irvin and Mrs. Percy MacMullen attended a luncheon in the Imperial Room of the Empress Hotel in Peterborough in honour of Mrs. Gerda Van Beechhoff, President of the Associated Country Women of the World, sponsored by the Peterborough District Women's Institutes.

Legion Entertains First War Vets

(Continued From Page One)

the service rendered their country, and in the years which followed, the Legion undertook to see that the sacrifice of life and limb, that the scars left on many veterans, were not forgotten by the country. He cited the work of the Legion Poppy Fund, the great development of Veterans Legislation and benefits, and more recently, the great part played by the Legion in the promotion of community projects such as the Legion Youth Movement, Scholarships and the like. In conclusion, Comrade Houchin urged all veterans, regardless of which war they had fought in to become Legion members and to join their comrades in Canada, and throughout the world in promoting the aims and objects of the Royal Canadian Legion.

Branch Treasurer, Comrade G. B. Noble, presented two silver Legion tankards to Comrades Arthur Hagerman and William Reynolds in recognition of their valued services in promoting Legion draws and ticket sales over the past several years. Both Comrades made appropriate replies.

Mr. Arthur Duncan, Public Relations Officer of the Bata Shoe Co., introduced Mr. Roley Whitley, a former Mayor of Trenton. Mr. Whitley delighted the gathering with many humorous and mirthful remarks. Following Mr. Whitley, the gathering was treated to a most enjoyable musical interlude featuring Mr. Duracher and Comrade X. P. Mayhew, of Picton. President Lawes also called on Mr. Duncan for a few remarks, and the always eloquent Art delighted the audience with some very appropriate

remarks concerning the Legion and the flag. President Lawes thanked all who had contributed to the programme and the success of the evening.

Following the closing ceremonies, the veterans of both World Wars dusted off their vocal chords with several First War tunes which brought back many a memory. Cards, darts and reminiscing provided the end of a most successful and enjoyable meeting. It can be assumed that this event will certainly become an annual feature of the yearly Legion Program. From every side we have had nothing but favourable comment, and we are sure that the Second War veterans of this area will be proud to pay this much deserved tribute to our comrades of 1914-1918.

During the course of the meeting, Branch President Lawes read a letter of best wishes from Comrade Eddie King, the Zone Public Relations Officer. Comrade King expressed his sincere regret in being unable to accept the branch invitation to attend the dinner. Comrade King's good wishes and sentiments were sincerely appreciated by all in attendance.

The Executive of the Branch is again reminded of the special Executive meeting for tonight (Thursday, June 27th) at 8.30 p.m. in the Legion Hall. As this is a most important meeting all members of the branch executive are urged to attend.

Legion membership costs \$6.00. At present, we have 68 members. A recent survey shows that we could have 112. Why not give this matter your immediate attention? Contact Membership Chairman, Doug Patterson, at your earliest convenience.

Cooking Comments

A handy guide when stewing chicken for casseroles is that a five pound chicken will yield 4 cups of cooked, cut-up chicken. In addition, say the home economists at Macdonald Institute, Guelph, the broth will yield 3 cup of stock. Use this stock in the casserole or chicken soup for extra flavour.

A meat thermometer is a useful article in the kitchen. It ends worries that the internal temperature of pork may not be high enough to cook the meat. Pork must reach 155 degs. F. internally and to cook a roast of beef to the rare stage, the thermometer should read 140 degs. F. the medium stage is 150 degs. F. and well done beef requires an internal temperature of 170 degs. F. Be sure that the thermometer is placed through the outside fat in the thickest part of the muscle and that the point does not rest on fat or bone.
